# Hexcycle® IV Base Station

Select The Base Station That Compliments Your Environment.  
This System Provides Organization For Increased Recycling Rates.

**IF A BIN IS MISSING,  
YOU'LL KNOW IT!**

## 5 Great Colors to Choose From

The Hexstation™ Base is made of natural wood and galvanized steel reinforced corners. It is then color coated with a durable UV inhibited finish. This integrated design is made in the USA and designed to withstand the test of time.

Unit ships flat one per carton and is easy to assemble.
