

Shown with hinging access flap.

A-BIN™

MADE IN THE USA

Designed to enhance any establishment we are confident this free standing unit will increase recycling rates while gaining key placements in well traveled locations.

- Patented square design assembles in minutes.
- Angled lid prevents snow, rain, and garbage buildup.
- Fits all of our 100% recycled liners.
- Heavy duty stainless steel knob will not rust.
- Includes high quality printed identification decals.
- Top slots allow for secure locking of liner and an easy empty process.
- Made of 30% post industrial recycled plastic.
- 100% recyclable.
- This is a low impact high efficiency product designed to minimize the use of plastic, packaging and fuel in transit.
